RAVI GANDHY

ACCOMPLISHMENTS Upon completion of Master's degree in Business Administration in 1992 started my software consulting business.

Became interested in investing in real estate and single-family homes. Acquired first commercial property in 1998. Began acquiring single family homes and small apartment buildings and rehab. Advanced from a two unit building to much larger projects. Current projects for Lorgavens 450 Million all over US. www.lorgavens.com

- I have been in Orlando since 1996 and started working as volunteer since 1998.
- Involved very actively in new temple Kumbhabhishekam and Dwajasthambha Prathishta.
- Involved very actively in construction of new stage for auditorium
- Two terms served as Vice President and involved in organizing many HSCF functions and many projects of HSCF during that time.
- Involved actively in fund raising for Jeernodharana/Kumbhabhishekam.
- Actively involved and monitored construction of new shrines for Sri Murugan and Sri Swamy Ayyappa
- I have very broader vision to take our temple to next level and address the needs of our diversified community in Central Florida.
