Vision:

As I speak Hindi, Telugu and Tamil and understand some Gujarati, Kannada and Malayalam, I have the ability to work with people from various regions of India. My vision is to integrate all Indians together culturally and religiously; motivate everyone to attend most events at the temple irrespective of region or language and raise the revenue for the temple. I would like to work with other Indian organizations to make them feel oneness with HSCF temple.

Association with Hindu Temple of Central FL:

Since we moved to Longwood FL, we have been associated with the Hindu temple. I have volunteered at the temple in June 2005 on all the days of kumbabhishekam. Volunteered in getting food and water served with Mr. Pradeep Vedi; and helped others at various places as needed. Later helped in the temple almost every weekend.

For about 5 years taught SAT Math at HSCF. Worked with Shan Shankar and Vijay Nayyar. I have met and worked with several parents and students who have later became good friends.

Worked with both Mr. Hasmukh Mistry and Dr. KV Rao (Treasurers HSCF) for several years, helped the temple office in sorting the cash contributions from devotees. Also worked with other Governing Council Members, helping in fundraising events and organizing religious events inside the temple and at the Temple Hall.

In 2015 volunteered to be part of HSCF election commission to conduct fair elections and devised counting method to reconcile simultaneously on every vote that was casted. Summarized the results.

We (as a family) sponsor monthly religious performances throughout the year to make sure we participate in the temple events.

Association with TAGO:

In the year 2016, I held the President position for TAGO and united the Telugu community with various religious and cultural events, Worked in coordination with HSCF GC. Started new fundraising method to meet the financial needs of TAGO. Also, I held Treasurer Position for Telugu Association of Greater Orlando (TAGO) for 3 years under 3 different Presidents. Had a balanced budget every year. Worked in fundraising. Prior to 2013, I have helped TAGO for almost 8 years with various events at different times.
